## Letter of Recommendation

I am delighted to write this letter of recommendation for **Mr. Dipak Pahari**, who interned with us at **SRIYOG Consulting** from 19 May to 19 August 2025. During this period, Dipak made a remarkable impact as a UI/UX Designer Intern, contributing significantly to the design and development of two major projects - the SRIYOG Consulting Dashboard and GardenSewa.com (Phase I).

When **Dipak** joined us, he had little prior exposure to professional UI/UX practices. However, through his commitment to learning, creativity, and hard work, he quickly grew into a capable designer whose contributions added real value to our projects. His journey from a beginner to a skilled designer within a short span of time was truly inspiring.

**Dipak's** creativity and problem-solving abilities were evident in the intuitive design solutions he proposed, which greatly enhanced user experience and project outcomes. In addition to his design responsibilities, **Dipak** successfully coordinated the UI/UX Stack Team, ensuring smooth collaboration, effective communication, and timely reporting to the Project Manager. His coordination skills, combined with his willingness to learn and improve, made him a dependable and respected team member.

We were deeply impressed by **Dipak's** dedication, adaptability, and innovative mindset. He not only mastered the fundamentals of UI/UX design but also demonstrated the ability to think beyond and deliver impactful design solutions. His growth during the internship is a testament to his strong determination and passion for his craft.

I am confident that **Mr. Dipak Pahari** will continue to excel in his future endeavors and prove to be a valuable asset to any organization he chooses to work with. I wholeheartedly recommend him without reservation.

Please feel free to reach out if you require any further information.

Warm regards,
